

Readings from the Wednesday Testimony Meeting

Subject: Fulfillment

June 16, 2010

Hymns: 66 166 149

The Bible

Matt 5:17

¶Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil.

Genesis 1:26-31

¶And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in the image of God created he him; male and female created he them. And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth. ¶And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat. And to every beast of the earth, and to every fowl of the air, and to every thing that creepeth upon the earth, wherein there is life, I have given every green herb for meat: and it was so. And God saw every thing that he had made, and, behold, it was very good. And the evening and the morning were the sixth day.

Phil 2:5

Let this mind be in you, which was also in Christ Jesus:

Exodus 4:1-5

Moses answered and said, But, behold, they will not believe me, nor hearken unto my voice: for they will say, The Lord hath not appeared unto thee. And the Lord said unto him, What is that in thine hand? And he said, A rod. And he said, Cast it on the ground. And he cast it on the ground, and it became a serpent; and Moses fled from before it. And the Lord said unto Moses, Put forth thine hand, and take it by the tail. And he put forth his hand, and caught it, and it became a rod in his hand: That they may believe that the Lord God of their fathers, the God of Abraham, the God of Isaac, and the God of Jacob, hath appeared unto thee.

Exodus 15:26

And said, If thou wilt diligently hearken to the voice of the Lord thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his

statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord that healeth thee.

I Tim 6:5,6

Perverse disputings of men of corrupt minds, and destitute of the truth, supposing that gain is godliness: from such withdraw thyself. But godliness with contentment is great gain.

Psalms 91:14,15,16

Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name.

He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him.

With long life will I satisfy him, and shew him my salvation.

Psalms 92:1,2

It is a good thing to give thanks unto the Lord, and to sing praises unto thy name, O most High: To shew forth thy lovingkindness in the morning, and thy faithfulness every night,

Rom 8:1,2

There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit.

For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death.

Science and Health with Key to the Scriptures by Mary Baker Eddy

SH 68:27

Christian Science presents unfoldment, not accretion; it manifests no material growth from molecule to mind, but an impartation of the divine Mind to man and the universe.

Proportionately as human generation ceases, the unbroken links of eternal, harmonious being will be spiritually discerned; and man, not of the earth earthly but coexistent with God, will appear. The scientific fact that man and the universe are evolved from Spirit, and so are spiritual, is as fixed in divine Science as is the proof that mortals gain the sense of health only as they lose the sense of sin and disease. Mortals can never understand God's creation while believing that man is a creator. God's children already created will be cognized only as man finds the truth of being. Thus it is that the real, ideal man appears in proportion as the false and material disappears. No longer to marry or to be "given in marriage" neither closes man's continuity nor his sense of increasing number in God's infinite plan. Spiritually to understand that there is but one creator, God, unfolds all creation, confirms the Scriptures, brings the sweet assurance of no parting, no pain, and of man deathless and perfect and eternal.

SH 371:27

The necessity for uplifting the race is father to the fact that Mind can do it; for Mind can impart purity instead of impurity, strength instead of weakness, and health instead of disease. Truth is an alterative in the entire system, and can make it "every whit whole."

SH 57:24

The wintry blasts of earth may uproot the flowers of affection, and scatter them to the winds; but this severance of fleshly ties serves to unite thought more closely to God, for Love supports the struggling heart until it ceases to sigh over the world and begins to unfold its wings for heaven.

95:28

Lulled by stupefying illusions, the world is asleep in the cradle of infancy, dreaming away the hours. Material sense does not unfold the facts of existence; but spiritual sense lifts human consciousness into eternal Truth. Humanity advances slowly out of sinning sense into spiritual understanding; unwillingness to learn all things rightly, binds Christendom with chains.

SH 276:17

If God is admitted to be the only Mind and Life, there ceases to be any opportunity for sin and death. When we learn in Science how to be perfect even as our Father in heaven is perfect, thought is turned into new and healthy channels, — towards the contemplation of things immortal and away from materiality to the Principle of the universe, including harmonious man.

SH 361:22-25

Spiritual ideas unfold as we advance. A human perception of divine Science, however limited, must be correct in order to be Science and subject to demonstration.

SH 588:5

Hiddekel (river). Divine Science understood and acknowledged.

SH 591:23

Morning. Light; symbol of Truth; revelation and progress.

SH 596:11-19

Urim. Light. The rabbins believed that the stones in the breast-plate of the high-priest had supernatural illumination, but Christian Science reveals Spirit, not matter, as the illuminator of all. The illuminations of Science give us a sense of the nothingness of error, and they show the spiritual inspiration of Love and Truth to be the only fit preparation for admission to the presence and power of the Most High.

SH 468:8

Question. – What is the scientific statement of being?

Answer. – There is no life, truth, intelligence, nor substance in matter. All is infinite Mind and its infinite manifestation, for God is All-in-All. Spirit is immortal Truth; matter is mortal error. Spirit is immortal Truth: matter is mortal error. Spirit is the real and eternal; matter is the unreal and temporal. Spirit is God, and man is His image and likeness. Therefore man is not material; he is spiritual.

SH 598:21-30

"One day is with the Lord as a thousand years." (II Peter iii. 8.)

One moment of divine consciousness, or the spiritual understanding of Life and Love, is a foretaste of eternity. This exalted view, obtained and retained when the Science of being is understood, would bridge over with life discerned spiritually the interval of death, and man would be in the full consciousness of his immortality and eternal harmony, where sin, sickness, and death are unknown.

SH 297:32

A mortal belief fulfils its own conditions. Sickness, sin, and death are the vague realities of human conclusions. Life, Truth, and Love are the realities of divine Science. They dawn in faith and glow full-orbed in spiritual understanding. As a cloud hides the sun it cannot extinguish, so false belief silences for a while the voice of immutable harmony, but false belief cannot destroy Science armed with faith, hope, and fruition.

SH 298:12-24

To material sense, the unreal is the real until this sense is corrected by Christian Science. Spiritual sense, contradicting the material senses, involves intuition, hope, faith, understanding, fruition, reality. Material sense expresses the belief that mind is in matter. This human belief, alternating between a sense of pleasure and pain, hope and fear, life and death, never reaches beyond the boundary of the mortal or the unreal. When the real is attained, which is announced by Science, joy is no longer a trembler, nor is hope a cheat. Spiritual ideas, like numbers and notes, start from Principle, and admit no materialistic beliefs. Spiritual ideas lead up to their divine origin, God, and to the spiritual sense of being.

SH 52:19-23

The "man of sorrows" best understood the nothingness of material life and intelligence and the mighty actuality of all-inclusive God, good. These were the two cardinal points of Mind-healing, or Christian Science, which armed him with Love.

SH 296:14

The so-called pleasures and pains of matter perish, and they must go out under the blaze of Truth, spiritual sense, and the actuality of being. Mortal belief must lose all satisfaction in error and sin in order to part with them.

SH 321:6-16

The Hebrew Lawgiver, slow of speech, despaired of making the people understand what should be revealed to him. When, led by wisdom to cast down his rod, he saw it become a serpent, Moses fled before it; but wisdom bade him come back and handle the serpent, and then Moses' fear departed. In this incident was seen the actuality of Science. Matter was shown to be a belief only. The serpent, evil, under wisdom's bidding, was destroyed through understanding divine Science, and this proof was a staff upon which to lean.

SH 452:11

Your advancing course may provoke envy, but it will also attract respect. When error confronts you, withhold not the rebuke or the explanation which destroys error. Never breathe an immoral atmosphere, unless in the attempt to purify it. Better is the frugal intellectual repast with contentment and virtue, than the luxury of learning with egotism and vice.

SH 572:12

Love fulfils the law of Christian Science, and nothing short of this divine Principle, understood and demonstrated, can ever furnish the vision of the Apocalypse, open the seven seals of error with Truth, or uncover the myriad illusions of sin, sickness, and death. Under the supremacy of Spirit, it will be seen and acknowledged that matter must disappear.

SH 502:9

Spiritually followed, the book of Genesis is the history of the untrue image of God, named a sinful mortal. This deflection of being, rightly viewed, serves to suggest the proper reflection of God and the spiritual actuality of man, as given in the first chapter of Genesis. Even thus the crude forms of human thought take on higher symbols and significations, when scientifically Christian views of the universe appear, illuminating time with the glory of eternity.
